DR. E. EASTERLY'S

Medicated Strengthening Plaster

THIS plaster has been prepared under the immediate eye and superintendence of an old physician, who is a graduate of the University of Pennsylvania, and has had extensive practice for more than 30 years in treating the various diseases incident to this country. He confidently recommends this Plaster, from a thorough knowledge of its virtues, to be superior to every Plaster now in use. By keeping up a gentle perspiration, it is admirably adapted for Pains or Weakness in the Breast, Side, Back or Limbs; also, for the Gout, Rheumatism, Enlargement of the Spleen, Liver Complaint and Dyspepsia, and for Coughs, Colds, Asthma, Difficulty of Breathing, Oppression of the Stomach, &c. To all persons predisposed to Consumption, or who are subject to violent coughs and colds, they are particularly recommended—as they give almost immediate relief, and for pleasantness, safety, ease and certainty, they are decidedly superior to most other remedies.

Persons afflicted with any of the above diseases will find Dr. Easterly's Medicated Strengthening Plaster much superior to any other ever before offered to the public. Physicians, druggists and dealers in Medicines, will find it to their interest to keep a supply of these valuable Plasters on hand to accommodate their patrons.

For sale, wholesale and retail, at the Medical Depot of Dr. E. Easterly, southeast corner of 2d and Chestnut streets, St. Louis, Mo., and by agents throughout the Western States. [ap25]

FEVER AND AGUE.

FEVER and AGUE, Dumb Ague, Chill Fever, Intermittent & Remittent Fevers, and all the various forms of Bilious diseases, speedily and permanently cured by DR. WATSON'S INDIAN VEGETABLE TONIC.

This valuable medicine was prepared from an extensive practice of several years in a bilious climate in the Western States, and was never known to fail of curing Fever and ague, or any of the above diseases.

It is equally effectual for the cure of Liver Complaint, Jaundice, Enlargement of the Spleen, (called Ague Cake) and the various forms of bilious diseases. These, with the other various affections of such climate, arising from a common bilious cause, are only modifications of the same disease, and equally controlled by the same remedy.

Residents of bilious climates, emigrants or persons traveling through infected districts of country, will not only find Dr. Watson's Indian Vegetable Tonic a safe, speedy and effectual cure, but an absolute preventive.

Each bottle of medicine is accompanied with a pamphlet on the Causes, Treatment and Cure of Fever and Ague, and other form of bilious disease, containing much valuable information, and may be had gratis of all authorized agents for the sale of the Tonic. None genuine without the written signature of N. F. Watson, M. D., on every bottle, in lawyer and Proprietor.

DR. WISTAR'S BALSAM OF WILD CHERRY.

COUNTERFEITS.

The Great Remedy for Consumption of the Lungs, Affections of the Liver, Bronchitis, Asthma, Pain or Weakness of the Heart or Lungs, Chronic Coughs, Pleurisy, Hemorrhage of the Lungs, and all Affections of the Pulmonary organs.

NATURE'S OWN PRESCRIPTION.

A compound balsamic preparation of the Prunus Virginica, or Wild Cherry Bark, combined with the extract of the tur, prepared by a new chemical process, approved and recommended by the most distinguished physicians, and universally acknowledged the most valuable medicines ever discovered.

We do not wish to trifle with the lives or health of the afflicted, and we sincerely pledge ourselves to make no assertions as to the virtues of this medicine, and to hold out no hope to suffering humanity, which facts will not warrant.

We ask the attention of the candid to a few considerations. Nature, in every part of her works, has left indelible marks of adaptation and design.

The constitutions of the animals and the vegetables of the torrid are such that they could not endure the cold of the frigid zone—vice versa.

In regard to disease and its cure, the adaptation is no less striking. The moss of Iceland, the wild cherry and pine of all northern latitudes, (the Balsam is a chemical extract of these) have long been celebrated for complaints prevalent only in warm climates. Indeed the most distinguished men have averred that nature furnishes in every country antidotes for its own peculiar diseases.

Consumption, in its confirmed and incipient stages, coughs, asthma, croup, and liver complaint, form by far the most fatal class of diseases known to our land.

Yet even these may be cured by means of the simple yet powerful remedies which are scattered wherever those maladies prevail.

Scarcely a mail arrives from any point in the west, but that brings us news of the most cheering character, which goes still further (if more evidence were necessary) to establish the reputation of this great remedy.

None can be genuine without the names of Henry Wistar, M. D., and Sanford & Park are found upon the wrapper. No medicine called Syrup of Wild Cherry, or Wild Cherry Bitters can be relied upon. They may not benefit, but actually injure the patient.

"DR. WISTAR'S BALSAM OF WILD CHERRY" is the only remedy to which invalids should resort for the cure of pulmonary complaints.

HENRY BLAKESLEY & Co., S. W. corner of 3d and Chestnut streets, sells the above medicine. Price \$1 per bottle. Sold also by

SMITH'S TONIC SYRUP

Or Vegetable Febrifuge.

A specific, safe and certain cure for AGUE & FEVER, Chill-fever, Dumb-Ague, Intermittent Fevers, and all the various forms of Bilious diseases.

THIS valuable medicine is undoubtedly the safest and surest remedy ever discovered for the cure of the above named diseases. It not only breaks the chill, but removes the cause from which the disease originates. Its operation is both general and special. While it acts generally upon the whole system, as a most powerful alternative, purifying the fluids, freeing the solids from all morbid secretions, and re-invigorating and bringing up all the vital energies to a standard of permanent health, it at the same time exerts a specific influence upon the liver, digestive organs and lymphatic and glandular systems, exciting them to healthful activity, removing all morbid matter, equalizing the circulation, restoring their proper and necessary secretions, thus accomplishing a complete reformation from disease, and restoring sound and permanent health.

Those who are suffering with the prostrating AGUE & FEVERS common in the West and South—those whose constitutions have become enfeebled by the use of mercury, quinine, or other violent medicines, should resort at once to the use of this VALUABLE MEDICINE.

It has cured and will cure the most obstinate cases. Travelling with the circulation it pours its healing current through every vein and artery of the human body. The whole animal economy is made to undergo a thorough radical change. Even the mind partakes of the healthful process, and life, that before appeared a dreary waste, begins again to beam with promise.

Pamphlets respecting this Valuable Medicine, can be obtained of the Agents gratis.

CAUTION!

As there are many spurious preparations of similar name hawked about the country, and sold on the reputation of the reputation of the genuine

SMITH'S TONIC SYRUP.

We therefore beg leave to caution the public against imposition, as we cannot hold ourselves responsible for the effect which may result from the use of spurious articles.

War! War! War!!!

Dr. Sappington put to flight Dr. Bragg—Dr. Bragg storms the Citadel of "Acron Rock," without the loss of life or drawing of blood, and takes the enemy captive—Bragg's battery at Buena Vista not more effective than Bragg's "grape" in Missouri—Treaty of peace looked for when the enemy comes to appreciate his defenceless position.

MENELAUS, the Spartan king, waged a war upon the ancient Trojans, to avenge himself upon Priam's son, for capturing and murthering his beautiful daughter, Helen. Mr. Polk undertook to whip nine millions of Mexicans for the glory of the thing—and Dr. Sappington, reputed "author of a book on fevers," father-in-law of Dr. Price, and proprietor of an aque pill, mounts his guns and levels them at Dr. Bragg, because his Indian Queen Vegetable Sugar Coated Pills are sweeping all other pills out of Missouri, Illinois, Iowa, and other Western States, by the prompt and wonderful cures which they effect in all who use them. Dr. Sappington made public the recipe of his pill, and it was instantly counterfeited on all hands, and made of such poisonous and worthless drugs, as to bring them into general distrust. Dr. McDowell and other physicians, whose experience had convinced them of the great virtue of Dr. Bragg's Sugar Coated Pills, applied to him to make public his recipe, as an act of benevolence and humanity. Dr. R. replied, through the press, that such a course would not aid the cause of humanity, and cited the general system of counterfeiting which had befallen Dr. Sappington's pill, since the publication of its recipe, as his reason for not complying. Dr. S. alarmed at the fallen condition and sinking popularity of his pill, attempts to save himself by informing the public that Dr. Price puts up his genuine pill, and striving to create the impression that Dr. Bragg is disparaging his pill, while in fact Dr. R. said nothing against his pill, but spoke only of the numerous counterfeits of it, which are constantly being put up by Tam, Dick and Harry, out of the poisoned drugs of the shops.

It is too late in the day for Dr. S. to cry persecution, or to try to make his pill cope with Dr. Bragg's. It has lost the
